I'm not sure either. We can ask Michael and Karl about that.

Since lower 8 mile was combined with NRRB that might not be the best example.

If we do need you there Ed it wont be past 5 pm

Ed, I'm not sure about that detail. Perhaps we can touch on it during today's team call.

Thanks, Scott. Do you know if we will be present for the deliberations on the afternoon of the second day?

Subject: CSTAG schedule
I'm looking for the CSTAG schedule for March 1st (I apologize if I already have it and don't realize it). My wife is trying to schedule something that evening, but I don't know how late CSTAG runs.
Thanks,
Ed
